Directors' Review

Dr. S. Jeyasankar Swami Vipulananda Institute of Aesthetic Studies Eastern University - Sri Lanka.

Art represents, reflects and recreates!

An Aesthetic Institute of a Higher Education Institution is a place where artistic and academic qualities are being groomed for the benefit and sustainability of all communities of the world over.

Practicing the art and experiencing and understanding aesthetics is not a political and eternal as normally and popularly believed. Each and every art practice and aesthetic experience is clearly and strongly rooted in a politics of its own.

Mastering and performing or displaying the art and exploring its social and political context and significance is an indivisible part of educational empowerment particularly in the Higher Education Institution.

A Higher Education Institution provides a space not only for mastering the art but also for maneuvering it for application purposes too. Mastering an art is not only for mere performance or exhibition or display but also for making differences not only in its spheres but also in a wider spectrum of the world.

Artists are the people who are well rooted in the ground and feel, imagine, think and create in order to initiate dialogue among people. This, in turn, will hopefully be for the purpose of a positive world where all the living species on earth live happily and prosperously.

Swamy Vipulananda Institute of Aesthetic Studies is a space for grooming undergraduates as social figures who will function as facilitators of societies and contribute to social welfare and betterment.

In order to achieve this purpose, the Institute connects undergraduates with artists, academics, artisans, art entrepreneurs, social organizations, communities and other institutions and accommodates participatory, community-based and performance oriented learning and mastering environments.

The process of practices will reflect the progress of performances!

Director, Swami Vipulananda Institute of Aesthetic Studies

Report of the Auditor General on the Financial Statements and other Legal and Regulatory Requirements of the Swami Vipulananda Institute of Aesthetic Studies (SVIAS) for the year ended 31 December 2018 in terms of Section 12 of the National Audit Act, No. 19 of 2018.

- 1. Financial Statements
- 1.1 Qualified Opinion

The audit of the financial statements of the Swami Vipulananda Institute of Aesthetic Studies ("Institute") for the year ended 31 December 2018 comprising the statement of financial position as at 31 December 2018 and the statement of financial performance, statement of changes in net assets and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with provisions of the National Audit Act No. 19 of 2018 and Finance Act No. 38 of 1971. My report to Parliament in pursuance of provisions in Article 154 (6) of the Constitution will be tabled in due course.

In my opinion, except for the effects of the matters described in the basis for Qualified Opinion section of my report, the accompanying financial statements give a true and fair view of the financial position of the University as at 31 December 2018, and of its financial performance and its cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.

1.2 Basis for Qualified Opinion

(a) Comparison analysis between the total addition to the Property Plant and Equipment (PPE) in the statements of financial position as at 31 December 2018 and cash out flow from investing activities for the PPE of the cash flow statement for the year ended 31 December 2018, revealed a difference of Rs. 13,000.

(b) Lack of Evidence for Audit

The evidence indicated against the following items of accounts had not been made available for audit.

Item of Accounts	Value	Evidence not made available	
	Rs		
Building and Improvement	530,139,729		
Furniture Fittings and Office	62,094,152		
Equipment	V	Register of Fixed Assets,

Sports Goods	1,876,481	the Board of Survey	
	7.5.9		
Other Assets	5,962,234		

I conducted my audit in accordance with Sri Lanka Auditing Standards (SLAuSs). My responsibilities, under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

1.3 Responsibilities of Management and those Charged with Governance for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with Sri Lanka Public Sector Accounting Standards, and for such internal control as management determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the University ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the University or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the University financial reporting process.

As per Section 16(1) of the National Audit Act, No. 19 of 2018, the University is required to maintain proper books and records of all its income, expenditure, assets and liabilities, to enable annual and periodic financial statements to be prepared of the University.

1.4 Auditor's Responsibilities for the Audit of the Financial Statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Sri Lanka Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Sri Lanka Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the University ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the University to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

2. Report on Other Legal and Regulatory Requirements

National Audit Act, No. 19 of 2018 includes specific provisions for following requirements.

- Except for the effect of the matters described in the Basis for Qualified Opinion paragraph, I have obtained all the information and explanation that required for the audit and as far as appears from my examination, proper accounting records have been kept by the University as per the requirement of section 12 (a) of the National Audit Act, No. 19 of 2018.
- The financial statements presented is consistent with the preceding year as per the requirement of section 6 (1) (d) (iii) of the National Audit Act, No. 19 of 2018.
- The financial statements presented includes all the recommendations made by me in the previous year as per the requirement of section 6 (1) (d) (iv) of the National Audit Act, No. 19 of 2018.

Based on the procedures performed and evidence obtained were limited to matters that are material, nothing has come to my attention

2.1 to state that any member of the governing body of the University has any direct or indirect interest in any contract entered into by the University which are out of the normal cause of business as per the requirement of section 12 (d) of the National Audit Act, No. 19 of 2018

2.2 to state that the University has not complied with any applicable written law, general and special directions issued by the Governing body of the University as per the requirement of section 12 (f) of the National Audit Act, No. 19 of 2018 except for;

(ii) Section 4.1 of Chapter IX

In order to obtain overtime allowance, the Registrar of the University should personally satisfy that the overtime duties had been actually and fairy performed. But it was observed that the institute has not followed proper procedures.

(c) Treasury Circular No IAI/2002/02 dated 28 November 2002. A separate Register of Fixed Assets had not been maintained for computers and computer accessories.

- 2.3 to state that the University has not performed according to its powers, functions and duties as per the requirement of section 12 (g) of the National Audit Act, No. 19 of 2018;
- 2.4 to state that the resources of the University had not procured and utilized economically, efficiently and effectively within the time frames and in compliance with the applicable laws as per the requirement of section 12 (h) of the National Audit Act, No. 19 of 2018.

3. Other Audit Observations

- (i) According to the Establishment Circular No. 15/2015 dated 17 November 2015 of the University Grants Commission, the results of the examinations conducted for the internal students should be released within 03 months. However, the results for the examinations conducted for the academic years 2014/2015, 2015/2016 and 2016/2017 had been released after a delay of 3 to 6 months. This practice had badly affected the student's employment opportunities after the pass out.
- (ii) Student passing in the final examination in the Department of music during the year 2016, 2017 and 2018 were 69 per cent, 50 per cent and 47 per cent respectively shows continuous deterioration in the performance of students.
- (iii) As per the letter Nos. CSA/2/3/4 and CSA/1/1/16 of 26 February 2006 and 11 June 2012 respectively of the Secretary to the President, the officers who proceed abroad on duty should submit a report within 2 weeks of returning to the island, including the benefits received to the Government of Sri Lanka from the relevant tour abroad. However, 2 officers and 05 lecturers who had been abroad by spending a sum of Rs.4,873,402 from the University Fund in 2017 and 2018 had not submitted the relevant reports up to the date of this report.

- (iv) The bond value totalling Rs 3,913,865 from 02 employees of the Institute whohad been terminated from the Temporary Lecturer post and a deceased had not been recovered from their guarantors or their Provident Fund for more than 04 years.
- (v) Research conducted by an Institute will result in upgrading the standard of the Institute and it will make an immense contribution to the national economy too. It was observed that 46 Academic staff are eligible to do research and obtain researchgrant but grant had not obtained from the year 2007 to 2018. It was observed in audit that this has mainly attributed to the inverse effect on improvement of education and economic.
- (vi) The Steel Easel Stand is an equipment used by the Visual and Technological Arts students for drawing picture, painting and to display picture. The following matters were observed in this regard.
 - (a) Action had not been taken to recover Rs. 88,804 for loss of 36 Steel Easel by the management.
 - (b) In terms of financial regulation 104, 105 the lost had not been reported to the nearest police station and to the Auditor General respectively.
 - (c) Further, it was revealed that students were requested by the lecturers to buy these Easels.Students had spent money ranging from Rs. 1,500 to Rs. 4,000 to buy these easels for their academic activities. As result of this lost, students are facing lot of difficulties in their academic activities.
- (vii) A balance totaling Rs.141, 790 had remained in the fund as Student Welfare Funds as at 31 December 2018 and this Fund had not been utilized for any purpose for last 03 years.

- (viii) The approved permanent non-academic staff as at the end of the year under review had been 81 and the actual cadre was 44, thus existing 37 vacancies. This vacant is 45 percent on the approved cadre. This situation had severely affected the administrative and academic activities of the Institute. But action had not been taken to fill those vacancies for 3 years.
- (ix) According to the Master Procurement Plan, Purchase of Lighting system, which was very essential for the third year examination of (Drama and Theatre) DTA 3123 stage lighting exam was scheduled to be purchased in September to December 2018. But it had not been purchased even until 01 March 2019. However, the above DTA 3123 stage lighting exam was scheduled to be conducted in July 2018. Due to non-availability of the stage lighting system the exam was postponed for more than 3 months. It was observed that the negligence of the officers concerned severely affected the academic activities of the students.
- (x) The Action Plan prepared by the Institute for the year 2017 had not included the information such as approved and actual cadre, internal audit plan in terms of section 4 of the Public Finance Circular, No. 01/2014 dated 17 February 2014.
- (xi) Progress Report of the Annual Action Plan for the year 2017 and 2018 had not been prepared and furnished to audit. In the absence of the progress report, it is not possible to ascertain whether the goals and objective of Annual Action Plan had been achieved by the Institute. Therefore, utilization of Annual Action plan to achieve the effectiveness and efficiencies of the Institution could not been measured and quantified in audit.
- (xii) In terms of the Letter No.NP/SP/SDG/17 of 14 August 2017 on sustainable development issued by the Secretary to the Ministry of National Policies and Economic Affairs and the "2030 Agenda" for Sustainable Development of the United Nations, the University was aware of the manner in implementing the functions that come under its scope. However, action had not been taken to identify the sustainable development goals, targets relating to those functions

and focal points to reach those targets and indices for measuring in achievement of targets.

(xiii) A former Store Keeper has filed a case at the labor tribunal against his termination from the Institute and he has requested reinstatement and compensation of Rs.1 Million, legal charges and other expenses as decided by the Labour Tribunal.
